

Water Tower Garden

Weeding and Watering Schedule

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

Try watering early morning or late evening when sun is least direct; mid-day watering can lead to burnt leaves as water droplets refract sun light!

Faculty of Education schedules may change week to week - be sure to check you will be on campus, or at least in Kingston, before coming to a day!

Nestled Garden

Weeding and Watering Schedule

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday

Try watering early morning or late evening when sun is least direct; mid-day watering can lead to burnt leaves as water droplets refract sun light!
